Requested changes to the current BMI record

The current record lists PIMENTEL KELLIUM JOSUA at 100%, DOMINGUEZ JOAO DAVID at 50%, and ONERPM SONGS at 50% as publisher. The undersigned direct BMI to:

- add Tyrone Jossimar Simisterra, IPI 01139759126, at 25% writer-side and 25% publishing-side share;
- retain Kellium Josua Pimentel, IPI 01172310200, at 25% writer-side and 25% publishing-side share;
- retain Joao David Dominguez, IPI 01170943066, at 45% writer-side and 45% publishing-side share;
- add Saskya Carolina Rodriguez at 5% writer-side and 5% publishing-side share; her PRO and IPI are not indicated; and
- remove ONERPM SONGS as publisher and add no separate replacement publisher.

Master ownership is not changed. It remains Tyrone 25%, Joao 35%, Kellium 25% and Saskya 15%. These percentages are excluded from this BMI request.

This letter does not sign on behalf of ONERPM SONGS or terminate a separate publisher agreement. If BMI requires a release, termination notice or publisher consent, BMI should identify the required documentation.
